Add "Get it @ Bradley" to Google Scholar

Adding the "Get it @ Bradley" link to your Google Scholar will help you avoid pay walls. Clicking on the "Get it @ Bradley" link will direct you back to the library's catalog and you'll be able to access the full text, request the library order it, or request the item from interlibrary loan.

Make sure you are signed into your Google Account before beginning these steps.

Step 1: On the Google Scholar home page click on the hamburger menu (three lines in the upper left corner).
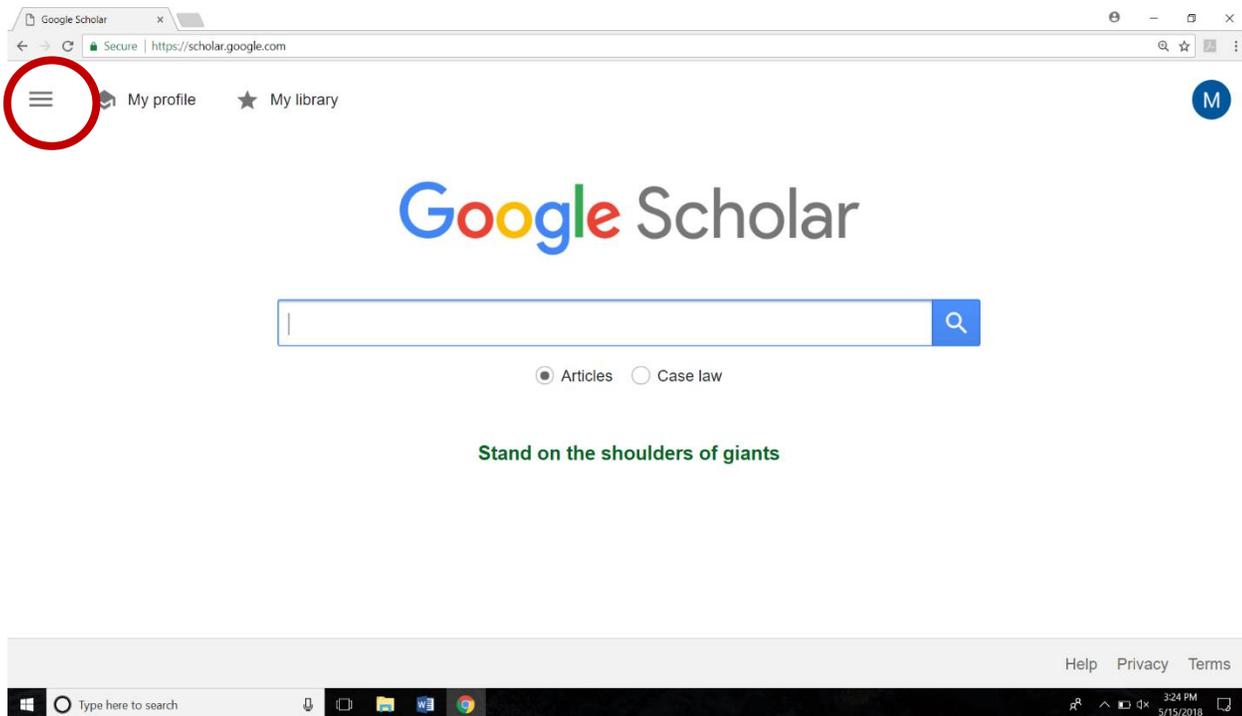

Step 2: Click on "Settings"
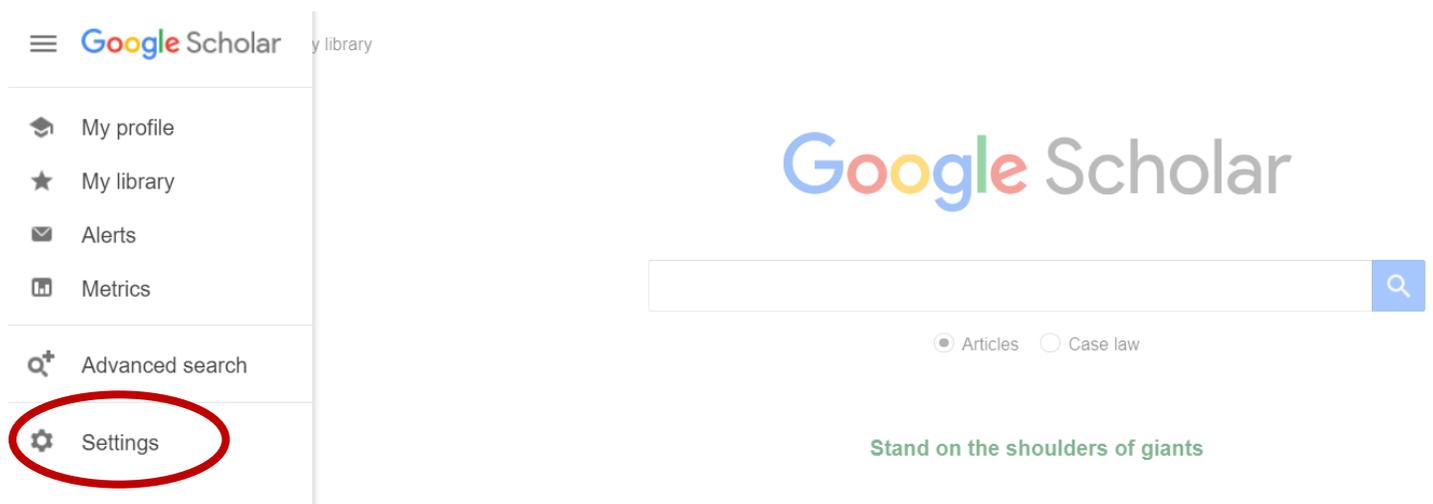

Step 3: Click on "Library links" under "Search results" in the left side navigation column
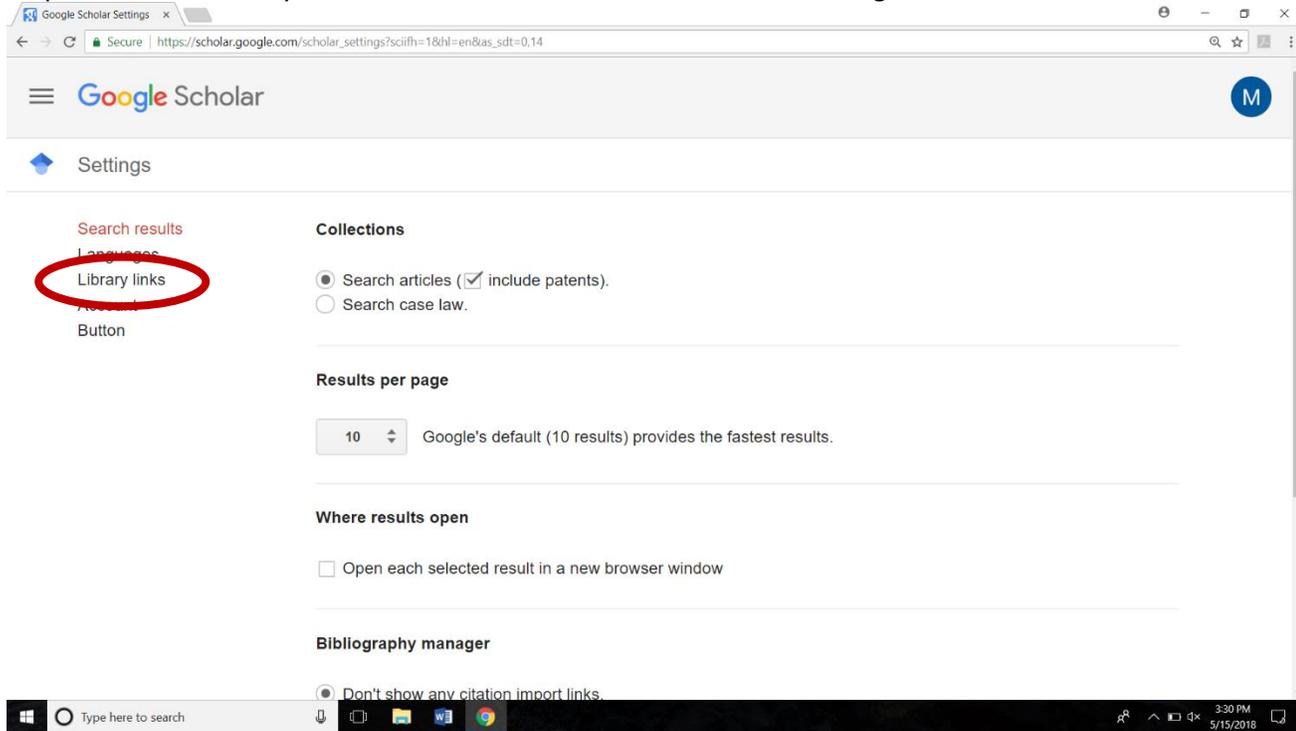

Step 4: Enter "Bradley University" in the search box and hit enter or click on the spy glass button. The words "Bradley University – Get It @ Bradley University" will appear under the search box. Check the box next to these words. Finally, click "Save."
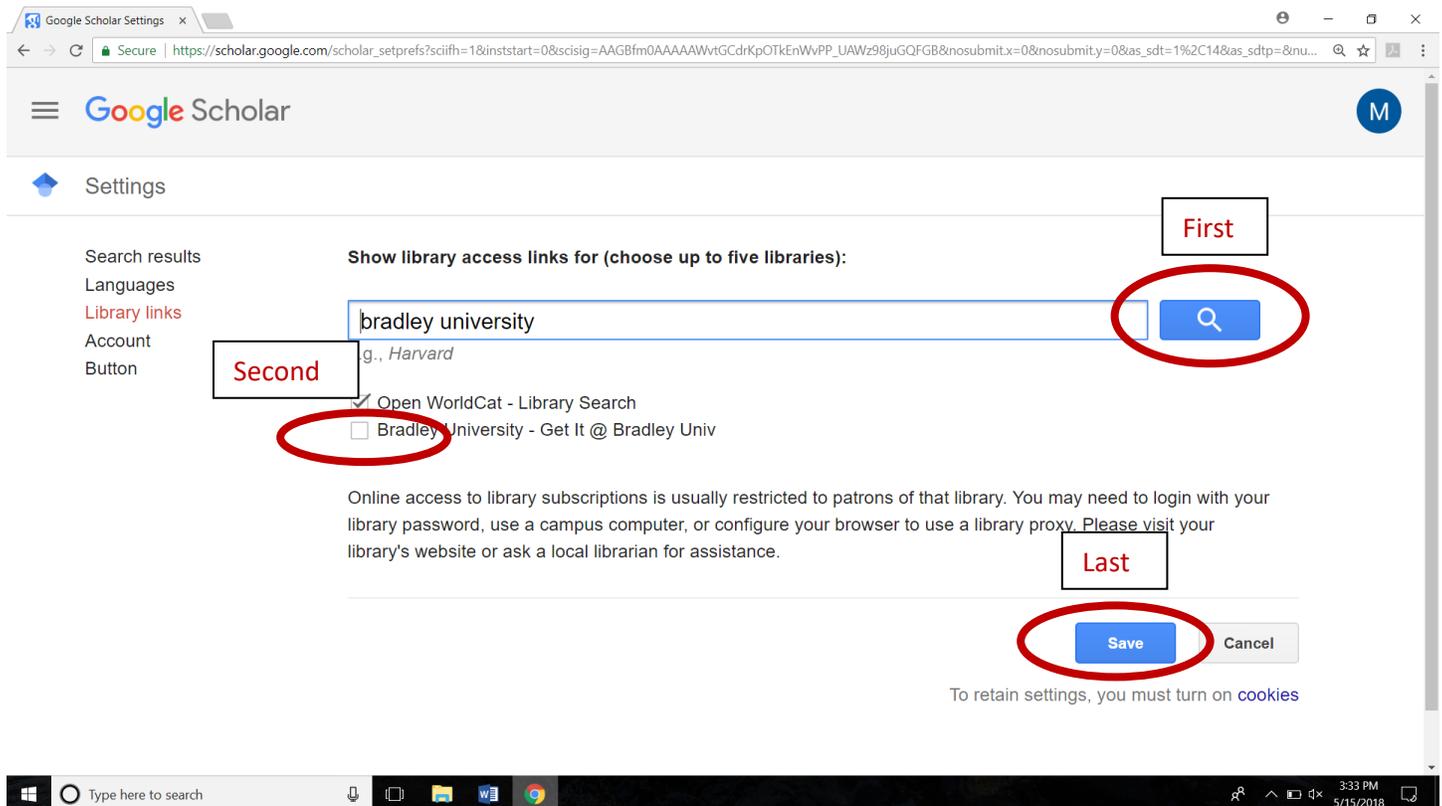

The Get It @ Bradley University should now appear when you do a search in Google Scholar.
